

2006

Texture and  
complexity that only  
time can reveal

**Service**

Open 3 hours in advance  
Decant  
Serve at 16°C

**Weather conditions**

A cool August, rain in  
September, a complicated year  
following the drought of 2005.

**Grape variety**

100% Malbec

**Ageing potential**

*Drink it or cellar it (2024-2045)*

## TASTING NOTES

94/95

points

**N3W**

*Intense garnet. Blueberry, blackberry, black cherry, black plum, and Royal Gala apple, all in a ripe register.*

*A fragrance of ink evokes a mineral note. Dark chocolate and cloves add complexity to this ensemble of blue and black fruits. Date, walnut, leather, tar, prune, and dried violet reveal the onset of a slow, almost tranquil evolution. On the palate, the balance offered by all the elements is thought-provoking.*

*They all slowly extend in the same direction. The alcohol structures with character, the acidity tempers it, and the tannins reveal a powerful yet delicate temperament. The finish unfolds slowly, deep, persistent, and mouthwatering.*
