

2008

A structure that stands the test of time

Weather conditions

The weather was gloomy and rainy, the harvest was late, small but of good quality, the winter was not very harsh; frost on 07 April, hail, and there was pressure from mildew.

Service

Open 3 hours in advance
Decant
Serve at 16°C

Ageing potential

It can be drunk now, but needs another 10 years to reveal its magic (2024-2045)

Grape variety

100% Malbec

TASTING NOTES

95
points
NEW

Deep ruby adorned with light garnet hues. Blueberry, blackberry, black cherry, Royal Gala apple, and black plum, in a ripe character, converse.

Laurel, sage, rosemary, and violet impart their ethereal essence. A notion of minerality converging towards ink emerges. Dark chocolate, cinnamon, and cloves indicate a well-managed aging process, while date, dried violet, fig, and smoked bacon are signs of careful evolution.

The structure asserts itself through an alcohol balanced by mouthwatering acidity. The tannins, well-present and finely grained, chalky, confirm the stature of this wine for aging. Ample, powerful, deep, this resolute character reveals its depth and delicacy through its aromatic complexity and delicate touch. The finish rings out and resonates.
