## TASTING NOTES

*Intense ruby extending towards garnet. Raspberry, red cherry, redcurrant, blackberry, blueberry, and Royal Gala apple emerge with a crisp, fresh, and ripe character.*

*Sage, rosemary, and mint reveal themselves like a signature. A hint of ink combined with a mineral note rings out. The aging process masterfully highlights the fruits through cloves and cinnamon. The initial hints of tar and date mark the beginning of a long journey.*

*The aromatic complexity is revealed through a fine balance. The acidity imparts freshness, while the alcohol adds warmth, slightly dominating the other elements. The tannins align with this structure but always with finesse. Delicately, the finish settles in over time.*
