

2013

# Ode to lightness

## Service

Open 1 hour in advance  
Decant  
Serve at 16°C

## Weather conditions

Yields significantly reduced due to difficult weather conditions (heavy rain, humidity, hail)

## Grape variety

100% Malbec

## Ageing potential

*Drink it or cellar it (2024-2035)*

## TASTING NOTES

*Moderate intensity ruby. Tart red cherry, raspberry, redcurrant, and strawberry are accompanied by blueberry, blackberry, and licorice.*

*Cloves and cinnamon subtly underscore these fruit notes, while fragrances of leather, date, cigar box, and a hint of tar indicate a wine gaining in wisdom.*

*On the palate, balance prevails. Supported by refreshing acidity and moderate alcohol, the fruits appear in a riper aspect. The well-present tannins provide a fine, chalky character, while the texture evokes the softness of velvet. The wine leans more towards finesse than structure. The overall balance and aromatic complexity pave the way for a delicate finish that lingers over time.*
