points

NEW

Intense ruby. Raspberry, redcurrant, blueberry, and red cherry converse in a fresh, tart, then riper and jammy register.

Thyme, sage, rosemary, and oregano elevate the ensemble. Cloves, cinnamon, and chocolate reflect the finesse of the aging process, while subtle hints of tar and date signal the beginning of a long evolution.

The acidity plays a vital role, balancing, lightening, and refining the structure imposed by an alcohol level slightly above the other elements. The noble tannins also assert themselves. The balance is present, and the length provided by this wine with a strong personality is eloquent proof.
