

2019

Looking to the future

Service

Open 1 hour in advance
Serve at 16°C

Weather conditions

2019 was an exceptional year, with sufficient rainfall before the summer. A harvest of very good quality and quantity.

Grape variety

100% Malbec

Ageing potential

Drink it or cellar it (2024-2050 +)

TASTING NOTES

94/95

points

N3W

Deep purple. Fresh and ripe, redcurrant, red cherry, blueberry, blackberry and black cherry come forward, followed by a dash of blueberry jelly.

Ethereal sage and violet add finesse. Cloves and cinnamon indicate the rightness of the ageing, while prunes, shaped by time, timidly join in.

The assertive aromatic complexity is balanced by salivating acidity and generous alcohol. The finely textured tannins are present and will become integrated over time. A silky body and controlled balance deliver a racy, elegant and persistent finish.
