

2020

A masterpiece in the making

Weather conditions

2020 was a very good year, with little rain at the start of flowering. The warm, sunny summer then enabled the vines to grow in good conditions.

Red cherry, redcurrant, wild mara, blackberry and blueberry start the conversation. Violet opens up a new avenue of finesse.

Cloves and cinnamon testify to controlled ageing, while walnuts, hazelnuts and figs indicate a wine gaining in wisdom. Structure and finesse define this wine.

Alcohol without opulence, tannins with a strong presence and yet such fine grain find the right balance thanks to this lively acidity. The texture is a pure evocation of silk. Everything about this wine is in flux, in movement, in the making. Like a climax, the finish stretches out over time.
